

# Finding Victory

By Glenn Currier

They vote for different sides  
opposing thoughts sometimes divide  
but both hold fast to the same Ark  
pulling them together and not apart  
they're in the same Vessel of salvation  
drink deeply the same Libation  
go to a common place  
to be filled with His grace  
at the foot of the same cross  
where they get victory, not loss.
